Leading Lives

Your life / Our support

Leading Lives provides a range of high quality support to people with learning disabilities including those with physical, multiple complex needs and autism, older people, young people in transition and carers across Suffolk.

Leading Lives supports and enables vulnerable people to lead full and active lives.

Leading Lives was developed from local authority services and now operates as a Social Enterprise that maximises employee involvement and trades as a member of Co-operative UK.

Leading Lives is a member of **Co-operatives East**, a membership organisation dedicated to promoting and enabling a thriving co-operative sector in the East of England.
